

## Kristin Schreiber

**European Commission,  
Director DG GROW**

**Member of the IMI2 JU  
Governing Board**

Kristin Schreiber leads the Directorate Ecosystems I: Chemicals, Food, Retail, Health in DG GROW, the Directorate General for Internal Market, Industry, Entrepreneurship and SMEs

After graduating with honours from L'Institut d'Etudes Politiques de Paris and gaining a Master's degree from the University of Kent at Canterbury and the Diplôme des Etudes Approfondies of the College of Europe in Bruges in International Relations, Economics and European Law, she worked as a researcher on the Single Market at the Institut für Europäische Politik in Bonn, before joining the European Commission as policy officer on biotechnology in 1990 where she held a large variety of positions.

Kristin Schreiber was Head of Cabinet of Employment Commissioner Vladimír Špidla, Deputy Head of Cabinet of Internal Market Commissioner Michel Barnier and member of the Cabinets of Enlargement Commissioner Günter Verheugen and Competition Commissioner Karel Van Miert. She also served as Head of Unit for International Affairs in DG Employment and Social Affairs and was a member of the Merger Task Force of DG Competition.

Prior to her current Director position, she served as Director for Governance of the Single Market and International Affairs in DG MARKT (until 2015) and Director for SME policy in DG GROW (until March 2021).

Kristin speaks German, French, English and Spanish. She is married and has three children.
