

Nathalie Moll

Member of the IMI Governing Board

Director General / EFPIA

Nathalie Moll is the Director General of the European Federation of Pharmaceutical Industries and Associations (EFPIA). EFPIA represents the pharmaceutical industry operating in Europe. Through its direct membership of 33 national associations and 40 leading pharmaceutical companies, EFPIA is the voice on the EU scene of 1,900 companies committed to researching, developing and bringing to patients new medicines that will improve health and the quality of life around the world.

Nathalie previously worked as the Secretary General of EuropaBio ranked as the most effective European Trade Association in Brussels in 2013.

After graduating with Honours in Biochemistry and Biotechnology from St Andrews University, Scotland, and a stage at the European Commission, Nathalie has spent 20 years working for the biotech industry at EU and national level in associations and corporate positions.

Within EuropaBio, Nathalie held the posts of External Relations Manager, Director for Strategic Policy, Director for Healthcare Biotech, Director for Agricultural Biotech sector and was the Secretary General from 2010 to 2017. Nathalie, who held the position of Vice Chair of the International Council of Biotech Associations (ICBA) since its inception in 2014 to 2016, was elected Chair of the ICBA in June 2016 for a 2 year term.

In 2013, Nathalie won the *Technovisionaries Women Innovation Award* organised by Women & Technologies® while in 2009, Nathalie and the Green Biotech Team at EuropaBio were presented with the *Leadership and Excellence in Advancing Ag-Biotech and Food Issues Award*. Nathalie was also named one of the 15 leading women in biotech in Europe in 2017.
