

Innovative Medicines Initiative

# Workshop Vaccines/ Research Effectiveness

Ann Martin / Fatiha Sadallah, IMI

efpia\*

# IMI Calls for proposals

## Topic workshops

---

- This workshop will focus on the scientific aspects of the topic
- Applicants can get acquainted with the IMI Call to facilitate their work when applying
- We will present and explain the needs and expectations for this topic
- This process aims to promote transparency and fairness by providing the same information to all

# What this workshop will cover

---

- **Objectives of the Project**
  - All scientific objectives need to be addressed
- **Need for public-private collaborative research**
- **Structure of the project**
  - The given structure is flexible and allows for innovative project design proposals
  - All the research objectives should be addressed.
- **Expected contribution of the applicants**
- **Contribution of EFPIA participants**
- **Key deliverables**
  - The participants are expected to make key contributions on the defined deliverables in synergy with the EFPIA consortium.

# Practical points

---

- This session is **video recorded**, so please speak into the **microphone**, also when asking questions
- Questions on **application procedures & rules?**
  - see morning sessions, IMI website or contact IMI
- **IMI topic webinars:**
  - More info & registration at <http://www.imi.europa.eu/content/events>

# Find project partners

---

- Network **here** today
- Use the **IMI Partner Search Tool**  
<http://www.imi.europa.eu/content/partner-search>
- Get in touch with your **local IMI contact point:**  
[www.imi.europa.eu/content/states-representatives-groups](http://www.imi.europa.eu/content/states-representatives-groups)
- Talk to your **FP7 Health National Contact Point (NCP)**

# Questions?

---
