

Webinar on IMI 2 – Call 20 rules and procedures

Participant list

29.01.2020

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Nina	Aalami	Bewell Technology	Turkey	nina.aalami@bewelltech.com	Providing AI-based software solution, Machine Learning, Data Analytics, Digital Twin, IoT technology, BI, Embedded system
Lucía	Acevedo Limón	Fundación Progreso y Salud	Spain	lucia.acevedo@juntadeandalucia.es	I am introducing myself in the H2020 program and I am working in a public administration that promote the health research
Arno	Andeweg	ErasmusMC	Netherlands	a.andeweg@erasmusmc.nl	Immune repertoire analysis
Miroslava	Atanassova	Møreforskning Ålesund AS	Norway	miroslava.atanassova@moreforsk.no	Research regarding novel functional material sources
Irene	Beleña			ibelena@biconsulting.es	we have customers interested in this programme and we would like to give them support and advice about rules and proposals.
Celia	Blasszauer	MedicalScan Ltd.	Hungary	celia.blasszauer@medicalscan.hu	Real world evidence data mining experience
Julien	Bollard	Centre de Lutte Contre le Cancer Léon Bérard	France	julien.bollard@lyon.univ-lyon1.fr	Cancer research, project management

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Pascale	BOULANGER	I2BC, CNRS	France	pascale.boulanger@i2bc.paris-saclay.fr	Production of functionalisable virus-like particles
Leontina	Boulay	University Hospital of Angers	France	leontina.boulay@chu-angers.fr	cohort of patients, human biological samples, deidentified health data, according to applicable laws and regulations
Steve	Bridges	Bridges Consulting		stevenbridges84@gmail.com	Involved in EURACAN European Reference Network
sylvie	broussous	chu montpellier	France	sylvie-broussous@chu-montpellier.fr	Clinical trial, ethic, financial and administrative management
Montse	Camprubi	Synapse Research Management Partners	Spain	mcamprubi@synapse-managers.com	Project management experience
Virginia	Carvalhais	i3S	Portugal	virginia.carvalhais@i3s.up.pt	Basic and applied research in Cancer; Host Response and Interaction; and Neurobiology and Neurologic Disease
Birgit	Christensen	Aarhus University Hospital	Denmark	bc@au.dk	None
Jessica	Cibrián		Spain	jessica.cibrian@fi-group.com	Experience in european consortium management

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Morgane	Colleau	University of Exeter	United Kingdom	M.H.Colleau@exeter.ac.uk	Research Development Manager - Budget, fit-for-purpose, legal work, etc.
Josep	Comelles	ASET Solutions	Spain	jcomelles@asetconsultoria.com	-
Francis P.	Crawley	GCPA & SIDCER	Belgium	fpc@gcpalliance.org	Member, IMI Pool of Patient Experts. Ethics Advisor and/or Data Protection Officer on IMI(1&2) and European Commission Projects
Giorgia	De Paoli	University of Dundee	United Kingdom	gdepaoli@dundee.ac.uk	I am a research pharmacist/pharmaceutical chemist specialized in manufacture and control of clinical trial material.
Marc	Dechamps	BioWin	Belgium	marc.dechamps@biowin.org	BioWin is the Life Science / Health cluster of Wallonia southern region of Belgium
Erica	Delucchi	Centre de Regulació Genòmica (CRG)	Spain	erica.delucchi@crg.eu	genomic research
Mara	Diaconu	Norwegian University of Science and Technology, Faculty of Medicine and Health Sciences	Norway	mara.diaconu@ntnu.no	Experience in previous IMI projects, clinical testing site, movement science, cardiovascular diseases, physical activity

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Anke	Dienelt	4TEEN4 Pharmaceuticals	Germany	dienelt@4teen4.de	drug product development
Lucas	Donat Castelló	FISABIO	Spain	donat_luc@gva.es	A healthcare research organization with more than ten years of experience participating in International Projects
Hilary	Doxford	3 Nations Dementia Working Group	United Kingdom	hilaryd@btinternet.com	Lived experience of a dementia diagnosis, clinical audit and research background, research participant
Aurelie	DUTERDE	UNIVERSITE DE PARIS	France	aurelie.duterde@u-paris.fr	financial, administrative, project writing, management, grant support
Emilie	Etoundi	Institut Jules Bordet	Belgium	emilie.etoundi@Bordet.be	Hospital - Cancer research reference center
Silvia María	Fajardo	Fisabio	Spain	fajardo_sil@gva.es	Administrating reserches
Gaetano	Finocchiaro	Istituto Neurologico Besta	Italy	gaetano.finocchiaro@istituto-besta.it	Glioblastoma and other brain tumors: clinical management, molecular genetics and immunology
Anne-Laure	Fize	IUCT-Oncopole	France	fize.annelaure@iuct-oncopole.fr	Not applicable
Leonidas	Fotiadsi	AKESO - Panhellenic Organization for patient with	Greece	fotiadisleonidas@gmail.com	As a mediator in healthcare and lawyer, I believe i can help in administrative problems that may arise.

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
		Autoimmune Rheumatic Diseases			
Marcus	Furch	Rodos Biotarget GmbH	Germany	m.furch@biotargeting.eu	therapeutic assets in preclinical development
adrienne	gentil	VALORIAL	France	adrienne.gentil@pol-e-valorial.fr	I am looking to have information to be able to inform our members SME and Other
Anneke	Geyzen	Vrije Universiteit Brussel	Belgium	anneke.geyzen@vub.be	Research, clinical trials, dissemination, exploitation, communication
Céline	GHIRBAUDO	LIP6 - SORBONNE UNIVERSITE	France	celine.ghibaudo@lip6.fr	LIP6 - IT Laboratory SORBONNE UNIVERSITE. ICT and health research projects (embedded systems, power consumption, chip, IA).
Sandeep	Ghorpade	H3D, University of Cape Town	South Africa	sandeep.ghorpade@uct.ac.za	Industrial experience in tuberculosis and malaria drug discovery, lead optimisation, preclinical drug development
Natalie	Gordon	Bar Ilan University	Israel	natalia.gordon@biu.ac.il	We are one of the largest Universities in Israel and have various expertise
Chiara	Herzog	BioClavis	United Kingdom	chiaraherzog@bioclavis.co.uk	highly efficient and inexpensive transcriptomic and genomic profiling
Thomas	Hoffmann	University of Le Mans	France	thomas.hoffmann@univ-lemans.fr	I am a European research project officer, helping researchers in setting up and managing proposals/projects for European calls.

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Irene	Huber	University of Hohenheim, Research Center for Health Sciences	Germany	irene.huber@uni-hohenheim.de	application support, administration, coordination, dissemination (FZG office), diverse scientific expertise (UHOH departments)
Caroline	Jamieson-Leadbitter	Public Health England	United Kingdom	c.jamiesonleadbitter@phe.gov.uk	I work in Business Development
Andreia	Jesus	Glintt	Portugal	andreia.jesus@glintt.com	Glintt is a technology and consultancy multinational focused on healthcare solutions for hospitals and pharmacies.
Janina	Johänning	CeGaT GmbH	Germany	janina.johaenning@cegat.de	genomics, transcriptomics, NGS, Illumina, bioinformatics, genetic tumor diagnostics of clinical samples, method development
Kerri	Jones		United Kingdom	kerrij@bournemouth.ac.uk	I work in the area of research project development for a range of funding bodies including European Commission
Holgard	Julien	Eurasanté	France	jholgard@eurasante.com	Communication, research, networking, SME development
Rita	Juneja	PReMA	Thailand	rita@prema.or.th	research expertise
Maria	Kajander		Finland	kajanderma@gmail.com	Pharmaceutical aspect, patient guidance and motivation, therapy adherence, medication review . Practical work

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Anne	Kaminski	modis	Belgium	anne.kaminski@modisbelgium.be	I started to work as a consultant on an IMI project
TUGCE	KARATAS	IBG	Turkey	tugce.karatas@ibg.edu.tr	I'm Project Management Expert. I support the researchers to write and manage their project.
Iris	KERAMBRUN	Sorbonne Université	France	iris.kerambrun@sorbonne-universite.fr	administrative and budget expertise
Eanna	Kiely	ClinBuild	Germany	eanna.kiely@clinbuild.com	CDISC standards author/trainer/consultant. Standards are a core HMA/EMA Big Data and H2020 recommendation.
Karima	KISSA	AZELEAD	France	karima.kissa@azelead.com	AZELEAD works on therapeutic fields such as: Oncology, infection, neurological disorders, toxicity, ecotoxicology and rare disease
Francoise	Léal	CHRU Lille	Finland	francoise.leal@chru-lille.fr	sponsoring
xavier	leroy	Domain Therapeutics	France	xleroy@domaintherapeutics.com	Drug Discovery, HTS, SMEs, Immuno-Oncology, CNS, Rare Diseases, GPCRs, membrane proteins, Pharmacology
Raffaella	Marconi	Institute for Infectious Diseases "Lazzaro	Italy	raffaella.marconi@imi.it	proposal preparation support

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
		Spallanzani" IRCCS			
Jacqueline	Marovac	Jadran Clinical	France	jmarovac@gmail.com	Project management of 2 IMI projects for Pharma who was Coordinator. I managed budget, timelines, deliverables, and administrat
Wioleta	Maruszak	Lukasiewicz- Pharmaceutical Research Institute	Poland	w.maruszak@ifarm.eu	organic synthesis, GMP development of technology of API&FDF and analytical methods, bioequivalence and bioavailability study
Anna	Nadal	Universitat de Girona	Spain	anna.nadal@udg.edu	Management of economical issues of the project; suport and advice on impact of the results and the project itself
Constanza	Niell	DiabetesCERO	Spain	constanzaniell@gmail.com	I am a carer of my daughter with Diabetes T1. I am an EC Independent Expert in some areas besides DT1. Resourceful and proactive
Natalie	Pankova			npankova@metadvice.net	AI and deep tech expertise, relationships and access to other commercial and academic partners
Cristina	Pintucci	Universiteit Gent	Belgium	cristina.pintucci@ugent.be	Project management of the Cancer Research Institute Ghent (CRIG), support to the business developers in innovating with industry
Sandra	Pla			spla@synapse-managers.com	Project Management

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Ivan	Polach		United Kingdom	ivan.polach@hotmail.com	asthma patient experience, public speaking experience
Jelle	Praet		Belgium	jelle.praet@modisbelgium.Be	Project management / Consultancy
Nevena	Radisavljevic		Italy	nradisavljevic@gmail.com	innovative perspective
Doris	Rakoczy	AIT Austrian Institute of Technology GmbH	Austria	doris.rakoczy@ait.ac.at	molecular diagnostics, biomarker research, assay development, bioinformatics, biosensors & system integration, biolog. barriers
Laura	Rauscher	Medical University of Vienna	Austria	laura-ecaterina.rauscher@meduniwien.ac.at	Research Funding
Peggy	Reich	IMMS gGmbH	Germany	Peggy.Reich@imms.de	Expertise in Microelectronics especially ASICs, miniaturization of measurement devices, device development for diagnostics
Katarina	Risbecker	Karolinska University Hospital	Sweden	katarina.risbecker@sl.l.se	Clinical Studies
Bea	Rofagha	Schuttelaar & Partners	Belgium	bea.rofagha@schuttelaar-partners.com	Communication expertise (strategy, website, videos, events, social media), project management, stakeholders management

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Andrea	Roig Alba	Radboudumc	Netherlands	andrea.roigalba@radboudumc.nl	Grant Support Office - Radboudumc
Ombeline	Rossier	University Paris-Saclay	France	ombeline.rossier@u-psud.fr	Virus-like-particles (VLP) for vaccine development
Frans	Rozendaal	Human Vaccines Project Europe	Netherlands	fvandenboom@humanvaccinesproject.org	Decoding the human immune system to accelerate the development of vaccines, immunotherapies to prevent/treat important diseases
Nadia	Rozendaal	Human Vaccines Project Europe	Netherlands	nrozendaal@humanvaccinesproject.org	Decoding the human immune system to accelerate the development of vaccines, immunotherapies to prevent/treat important diseases
Ted	Schenkelberg	Human Vaccines Project	United States	tschenkelberg@humanvaccinesproject.org	Decode the human immune system to accelerate the development of vaccines immunotherapies to prevent/treat important diseases
Fraser	Scott			fraser.j.scott@strath.ac.uk	Novel drug class
Carole	Scrafton	FibroFlutters	United Kingdom	scraf73@gmail.com	social media network, patients, multi stakeholders, health comms, research skills, report writing, reviewer, expert patient
Magnus	Seierstad	University of Oslo, Faculty of Medicine	Norway	magnseie@uio.no	Administrative coordination of a WP

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Sunayana	Shah	Self employed	United Kingdom	sunayana_shah@hotmail.com	Extensive trade association experience, pharmacist, patient centred care, project management, influencing and negotiating strate
Thanos	Stavropoulos	Centre for Research and Technology Hellas (CERTH)	Greece	athstavr@iti.gr	Big Data Analytics, Artificial Intelligence, IoT/Sensor platforms, Smart House testbed, Large Pilot sites in Greece
Anna	Sumeray	Virometix AG	Switzerland	anna.sumeray@virometix.com	Synthetic antigen design and production, synthetic virus-like particle design and production, immune response enhancement
Hildrun	Sundseth	European Institute of Women's and Family Health (EIWH)	Belgium	hildrun.sundseth@eurohealth.ie	Patient and societal perspective, how diseases can affect women and men differently and the future generation
Thavirap	Tantiwongse	The Pharmaceutical Research and Manufacturers Association	Thailand	Thavirap@prema.or.th	Clinical Trials Network, Thai Healthcare Professionals Network, Governmental and Academic Collaborators

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Roisin	Thompson	Centre for Process Innovation	United Kingdom	roisin.thompson@uk-cpi.com	CPI is a UK RTO with capabilities in biologics process development, formulation & material science and sensors & electronics
Caroline	Toex	DLR-PT	Germany	caroline.toex@dlr.de	Health NCP
Mireia	Tomas		Spain	tomas_mirgin@gva.es	R&I capacities in the fields of biomedicine and health, expertise in developing (R&I and Management) IMI projects
D.B.R.K. Gupta	Udatha	Oslo Cancer Cluster	Norway	gupta.udatha@oslo-cancercluster.no	Project Management, Networking, Events, Workshops, Communication and Dissemination
Dagmar	Vaclavikova	Masaryk University		dagmar.vaclavikova@med.muni.cz	Team working with TB patients
Ana	Valero-Rello	INCLIVA Biomedical Research Institute	Spain	avalero@incliva.es	Project Manager fostering networks between INCLIVA researchers and international collaborators
Mary Lynne	Van Poelgeest	World Federation for Incontinent Patients - WFIP	Netherlands	mlvanpoelgeest@gmail.com	Long-term patient advocate and used to speaking and putting forward the patient perspective
Mónica	Vázquez	FISABIO	Spain	vazquez_monmor@fisabio.es	FISABIO brings experience in coordination of IMI projects related to vaccine research and other research areas in healthcare.

Name	Surname	Organisation	Country	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
David	Verde	IDIAPJGOL	Spain	dverde@idiapjgol.info	Primary Care experts
Alessandra	Veronese	Accademia dei Pazienti (Eupati Italy)	Italy	veronal2710@gmail.com	I can bring my expertise either as Expert Patient EUPATI Italy, or as Clinical Research Expert with 20 years of experience
Sabrina	Welsh	Human Vaccines Project	United States	swelsh@humanvaccinesproject.org	The Human Vaccines Project brings expertise in OMICs, systems serology, T and B cell repertoire, and computational biology.
ilker	Yeşilkaya	DNB (Decision & Behaviour) Analytics LLC	Turkey	ilkeryesilkaya@dnbanalytics.com	AI-based clinical behavioral research platform focused on psychiatric disorders
ilker	Yeşilkaya	DNB Analytics (Decision & Behavior) LLC.	Turkey	ilkeryesilkaya@dnbanalytics.com	AI, deeplearning, network science, software applications, clinic research with consenting psychiatry patient over 25000
