

Webinar on IMI 2 – Call 20 ‘Early diagnosis, prediction of radiographic outcomes and development of rational, personalised treatment strategies to improve long-term outcomes in psoriatic arthritis’

Participant list

22.01.2020

Name	Surname	Country	Organisation	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Nina	Aalami	Turkey	Bewell Technology	nina.aalami@bewelltech.com	Providing AI-based software solution, Machine Learning, Data Analytics, Digital Twin, IoT technology, BI, Embedded system.
Meritxell	Ascanio			meritxell.ascanio@bcnhealth.com	BCN Health has access to Spanish claims databases, as well as expertise in epidemiology, health economics and QoL studies.
Miroslava	Atanassova	Norway	Møreforsking Ålesund AS	miroslava.atanassova@moreforsk.no	Møreforsking Ålesund has ongoing collaboration with companies (Norwegian SMEs) producing functional food supplements for Psoriasis treatment (with some dietary interventions in patient already carried out) and have capacity to measure biomarkers in vitro/ex vivo at our laboratory.

Name	Surname	Country	Organisation	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Sigrid	Auweter	Germany	Smart Reporting GmbH	s.auweter@smartreporting.de	Structured reporting of radiology criteria, integrated reporting solutions, machine-readable health data for therapy monitoring.
Sarra	Ben Attia	Luxembourg	Luxembourg Institute of Health	benattia.sarra@yahoo.fr	
Celia	Blasszauer	Hungary	MedicalScan Ltd.	celia.blasszauer@medicalsean.hu	Real world evidence data mining experience.
Joana	Camilo	Portugal	CREATING HEALTH @UCP	joana.camilo@ucp.pt	Identification of potential Portuguese partners, knowledge and experience on IMI procedures, advice and support.
Sachin	Chavan	Norway	University of Stavanger	sachin.m.chavan@uis.no	New material technology for medical applications.
Francis P.	Crawley	Belgium	GCPA & SIDCER	fpc@gcpalliance.org	Member of the IMI Pool of Patient Experts. Ethics Advisor and/or Data Protection Officer on IMI (1&2) and European Commission projects.
Céline	Davoine	France	PNO Consultants	celine.davoine@pnoconsultants.com	I am currently working with private hospital companies.
Eleanor	Dawson	Netherlands	ttopstart	eleanor@ttopstart.com	Strategic consulting.

Name	Surname	Country	Organisation	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Katarzyna	Derwinska	Poland	WPD Pharma	katarzyna.derwinska@wpdpharmaceuticals.com	As an SME, we are leading several types of preclinical trials.
Mara	Diaconu	Norway	Norwegian University of Science and Technology, Faculty of Medicine and Health Sciences	mara.diaconu@ntnu.no	Experience in IMI and proposals, clinical testing.
Antonia	Diukendjieva	Bulgaria	Institute for Medical Research	antonia.diukendjieva@imresearch.co	Clinical trial services, validation studies, medical writing and editing.
Lene	Dreyer	Denmark	Aalborg University Hospital, Aalborg University	l.dreyer@rn.dk	I have ongoing projects in the field of personalised treatment in Psoriatic arthritis. Both clinical and register-based studies.
Ciaran	Duffy	Ireland	Global Innovation	ciaran.duffy@globalinnovation.ie	Programme advice and support.
Leonidas	Fotiadis	Greece	AKESO - Panhellenic Organization for patient with Autoimmune Rheumatic Diseases	fotiadisleonidas@gmail.com	As a patient with psoriasis and psoriatic arthritis, I can help to discover more unmet needs of the patients with ps. arthritis.

Name	Surname	Country	Organisation	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Marcus	Furch	Germany	Rodos Biotarget GmbH	m.furch@biotargeting.eu	Therapeutic assets in preclinical development.
Céline	Ghibaudo	France	LIP6 - SORBONNE UNIVERSITE	celine.ghibaudo@lip6.fr	Renowned researchers working on: design of wireless sensor networks, analogue and digital components on the same chip, AI.
Heidi	Gruner	Portugal	Centro hospitalar universitário Lisboa central. Nova medical school	heidi.ml.gruner@gmail.com	Medical staff working with patients of the autoimmune diseases unit.
Espen	Haavardsholm	Norway	Diakonhjemmet Hospital	espen@haavardsholm.no	Experience with RCTs/strategy trials, registry incl. PsA patients, large outpatient clinic, biobank, imaging skills (US/MRI).
Mari	Hoff	Norway	Norwegian University of Science and Technology, NTNU	mari.hoff@ntnu.no	Access to: 1) The HUNT cohort including patients with PsO and PsA. 2) Patients with PsO and PSA attending St Olavs hospital.
Janina	Johänning	Germany	CeGaT GmbH	janina.johaenning@cegat.de	genomics, transcriptomics, NGS, Illumina, bioinformatics, genetic disease diagnostics of clinical samples, method development.

Name	Surname	Country	Organisation	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Eanna	Kiely	Germany	ClinBuild	eanna.kiely@clinbuild.com	CDISC standards author/trainer/consultant experienced in PsA. Standards are a core HMA/EMA Big Data and H2020 recommendation.
Menny	Kirma	Israel	Holon Institute of Technology (HIT)	MennyK@hit.ac.il	Coordinator, business development.
Kristin	Kornerup	Luxembourg	IBBL	kristin.kornerup@ibbl.lu	Biobanking.
Francoise	Léal			francoise.leal@chru-lille.fr	Sponsoring, investigation.
Maryse	Letiembre	Switzerland	Institute for Research in Biomedicine (IRB)	maryse.letiembre@irb.usi.ch	The Institute for Research in Biomedicine is internationally recognised as a centre of competence in human immunology.
Siri	Lillegraven	Norway	Diakonhjemmet Hospital	siri.lillegraven@gmail.com	Focus of our research group: RCTs in arthritic conditions, imaging, large epidemiological cohorts including in PsA.
Segolene	Martin	Belgium	Kantify	segolene@kantify.com	Expertise in AI and predictive medicine. Kantify already has a track record such as a world premiere in cardiology.

Name	Surname	Country	Organisation	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Rebecca	Moore	Ireland	European Institute of Women's Health	moorerm@tcd.ie	Women's health NGO, communications, Stakeholder engagement, advocacy at EU level, Previous IMI experience, research, policy...
María	Moreno	Spain	INNOVANDUM HEALTH, S.L.	m.moreno@innovandumhealth.com	We are specialized in development and management of project proposals as well as in measuring and reporting project Impacts
Lorna	Morris	Germany	LifeGlimmer GmbH	morris@lifeglimmer.com	SME specializing in multiomics analysis, pathway analysis, machine learning, data integration and app development.
Yuliana	Nemysskaya	Latvia	XOresearch	yn@xoresearch.com	ECG analysis
Christa	Noehammer	Austria	AIT Austrian Institute of Technology GmbH	christa.noehammer@ait.ac.at	Tissue/Liquid biopsy biomarker (miRNA/RNA/DNA-methylation/Auto-Ab) screening and respective targeted validation, Bioinformatics.
Tanja	Oster	Germany	ARTTIC	oster@arttic.eu	Experienced project manager and communications / marketing focal point working in PPP, life sciences and beyond.
Stephen	Pennington	Ireland	University College Dublin	stephen.pennington@ucd.ie	Proteomics

Name	Surname	Country	Organisation	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Doris	Rakoczy	Austria	AIT Austrian Institute of Technology GmbH	doris.rakoczy@ait.ac.at	Molecular diagnostics, biomarker research, assay development, bioinformatics, biosensors & system integration, biolog. Barriers.
Peggy	Reich	Germany	IMMS gGmbH	Peggy.Reich@imms.de	Expertise in Microelectronics especially ASICs, miniaturization of measurement devices, device development for diagnostics.
Bea	Rofagha	Belgium	Schuttelaar & Partners	bea.rofagha@schuttelaar-partners.com	Societal impact studies, communication expertise (incl. strategy, website, videos, events, social media), project management
Huseyin hakan	Sakaoglu	Turkey	Tepecik Training and Research Hospital	hhsakaoglu@yahoo.com	Our Hospital is third biggest hospital in Turkey. We have 10 000 outpatient per day.
Nir	Shaled	Israel	ISERD	nir.s@iserd.org.il	Many potential partners from the Israeli industry and academy.
Mariagrazia	Uguccione	Switzerland	Institute for Research in Biomedicine	uguccioni@irb.usich	Our novel insights into the activity of chemoattractants and HMGB1 in fueling inflammation.
Alessandra	Veronese	Italy	Accademia dei Pazienti (EUPATI Italy)	veronal2710@gmail.com	I can bring my expertise either as Expert Patient EUPATI Italy, or as Clinical Research Expert with 20 years of experience

Name	Surname	Country	Organisation	e-mail address	Potential contribution to the project in terms of expertise, resources and activities.
Estelle	Waise		Bar Ilan University	estelle.waise@biu.ac.il	Assistance in the admin side.
Ursula	Wirtz	Germany	ConsulTech GmbH	wirtz@consultech.de	Support in the administrative grant process, proposal writing, grant- and project management.
ilker	Yeşilkaya	Turkey	DNB (Decision & Behavior) Analytics LLC.	ilkeryesilkaya@dnbanalytics.com	AI- based clinical behavioural research platform focused on psychiatric disorders
