

Webinar on IMI 2 – Call 20 topic Academia and industry united innovation and treatment for tuberculosis (UNITE4TB)

Participant list

23.01.2020

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|-----------|-----------|---|----------------|---------------------------------|--|
| Narges | Ahmidi | HMGU | Germany | narges.ahmidi@gmail.com | AI, Causal Inference, Electronic Health Records, Early Diagnosis of Diseases, Optimization of Treatment Plans |
| Jose | Ainsa | University of Zaragoza | Spain | ainsa@unizar.es | We are partners in the IMI ERA4TB Consortium where we are implementing the Hollow Fiber System of Tuberculosis in a BSL3. |
| tonino | alonzi | INMI L. Spallanzani IRCCS | Italy | tonino.alonzi@inmi.it | Molecular Biology, patients samples, networking |
| Meritxell | Ascanio | BCN Health Economics & Outcomes Research S.L. | Spain | meritxell.ascanio@bcnhealth.com | Design and conduct cost-effectiveness analysis, economic evaluations of observational/retrospective data sets, medical writing |
| Joanna | Bacon | public Health England | United Kingdom | joanna.bacon@phe.gov.uk | Tuberculosis, Drug Discovery |
| Sarra | BEN ATTIA | Luxembourg Institute of Health | Luxembourg | sarra.benattia@lih.lu | NA |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|------------|-------------|--|---------------|----------------------------------|--|
| Charles | Betz | Luxinnovation | Luxembourg | charles.betz@luxinnovation.lu | Link to Luxembourgish health system and research ecosystem |
| Janneke | Boere | Lygature | Netherlands | janneke.boere@lygature.org | Project management, communications, patient engagement, data management |
| Martin | Boeree | Radboudumc | Netherlands | martin.boeree@radboudumc.nl | Clinical trials experience |
| Alberto M. | Borobia | La Paz University Hospital (SERMAS) | Spain | alberto.borobia@salud.madrid.org | Experts in design, development and management of Clinical Trials. Leaders of WP7 and WP9 ERA4TB (Phase 1/FTIH trials and Ethics) |
| Willo | Brock | TB Alliance | United States | willo.brock@tballiance.org | Proven expertise in managing and running TB clinical trials (incl phase 2/3) and regulatory approval for TB drugs at FDA and EMA |
| Marieke | Bruinsma | Mimetas | Netherlands | m.bruinsma@mimetas.com | High throughput microfluidic 3D cell/tissue culture models |
| Martha | Brumfield | Critical Path Institute | United States | mbrumfield@c-path.org | Regulatory science and novel methodology, data management |
| Jonathan | Butcher | BioVersys | Switzerland | Jonathan.j.butcher@bioversys.com | BioVersys has experience in anti-TB drug R&D, including own projects, incl. basic target research, MedChen and development. |
| Mariana | Buziashvili | National Center for Tuberculosis and Lung Diseases | Georgia | buziashvili.mari@gmail.com | I have an experience of working on many key projects concerning TB in Georgia and I think I can be of a great value to the team |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|------------|-------------|---|-------------|---|---|
| ANDREA | CALCAGNO | University of Torino | Italy | andrea.calcagno@un ito.it | Clinical Pharmacology, Trials conduction |
| Filippo | Castiglione | National Research Council of Italy | Italy | filippo.castiglione@c nr.it | Modeling and simulation of biological systems, immunology, data analysis, bioinformatics |
| Corentin | Chaboud | BIOASTER | France | corentin.chaboud@b ioaster.org | host biomarkers studies, host blood RNA-Seq signatures , ERA4TB Task Leader |
| Francis P. | Crawley | GCPA & SIDCER | Belgium | fpc@gcpalliance.org | Member, IMI Pool of Patient Experts. Ethics Advisor and/or Data Protection Officer on IMI(1&2) and European Commission Projects |
| Zeger | De Groote | CMAST/MODIS | Belgium | zeger.de.groote@mo disbelgium.be | Project management/writing Consultancy |
| remco | de vrueh | | Netherlands | remco.devrueh@lyga ture.org | Project/Partnership management |
| Claudia | Denkinger | University of Heidelberg | Germany | claudia.denkinger@u ni-heidelberg.de | TB diagnostics, trial experience, modelling, decision frameworks on advancement |
| Mara | Diaconu | Norwegian University of Science and Technology, Faculty of Medicine and Health Sciences | Norway | mara.diaconu@ntnu. no | Expertise in IMI, leading research in field, clinical trials, HUNT study data and other data set |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|-------------|--------------------|--|--------------|------------------------------------|--|
| Antonia | Diukendjieva | Institute for Medical Research | Bulgaria | antonia.diukendjieva@imresearch.co | Clinical Trial Services, Validation Studies, Medical Writing and Editing |
| ANNA | DZIUBCZYNSKA-PYTKO | IPPT PAN KPK PB UE | Poland | anna.pytko@kpk.gov.pl | I'm IMI NCP |
| Lanfranco | Fattorini | Istituto Superiore di sanità | Italy | lanfranco.fattorini@is.s.it | Drug activity against MDR/XDR and dormant Mtb (hypoxic (Wayne) model at pH 5.8 and 7.3, to mimic macrophages and caseum) |
| Wolfgang | Fecke | EU-OPENSREEN ERIC | Germany | wolfgang.fecke@eu-openscreen.eu | Access to compound libraries and assay development capabilities, access to infectious disease-focused partner institutes |
| Trude Helen | Flo | Norwegian University of Science and Technology | Norway | trude.flo@ntnu.no | Host-pathogen; BSL3 imaging; 3D EM; innate immunity; trafficking; cell death; human primary cells; iPSCs; cell lines; signalling |
| Marcus | Furch | Rodos Biotarget GmbH | Germany | m.furch@biotargeting.eu | therapeutic assets in preclinical development |
| Sandeep | Ghorpade | H3D, University of Cape Town | South Africa | sandeep.ghorpade@uct.ac.za | Industrial experience in malaria and TB drug discovery, lead optimisation and preclinical drug development |
| SUDIP | GHOSH | TATA CUMMINS LTD AMS | India | kanan_2022@rediffmail.com | DR.SUMIT GHOSH M.D. CMRI HOSPITAL KOLKATTA |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|------------|--------------------|---|--------------|---------------------------------------|--|
| Federico | Giannoni | Istituto Superiore di Sanità | Italy | federico.giannoni@is.s.it | Our group has a long experience in many fields of M. tuberculosis research, mainly drug testing in vitro and molecular biology |
| Marta | GOMEZ QUINTANILLA | CDTI | Spain | marta.gomez@cdti.es | My experience in IMI. |
| AFRICA | GONZÁLEZ FERNÁNDEZ | UNIVERSITY OF VIGO | Spain | africa@uvigo.es | Basic and Applied Immunology. Studies with very well controlled TB patients and contacts (LTBI-No-TBI) from Galician TB Units. |
| CONCEPCIÓN | GONZÁLEZ-BELLO | Universidade de Santiago de Compostela, CIQUS | Spain | concepcion.gonzalez.bello@usc.es | small organic molecules synthesis targetting selected targets, simulation studies, protein X-ray crystallography, inhibitors |
| cyril | guyard | BIOASTER | France | cyril.guyard@bioaster.org | PI on ERA4TB biomarkers WP, Molecular signatures discovery and validation, Industry standards |
| Hossam | Haick | Technion - IIT | Israel | hhossam@technion.ac.il | Advanced sensors and wearable devices for diagnosis and monitoring of treatment |
| Matthias | Heinig | Helmholtz Zentrum Munich | Germany | matthias.heinig@helmholtz-muenchen.de | Computational biology, machine learning |
| Leonard | Herbst | TCD Global | South Africa | leonard.herbst@tcd-global.com | TCD is a local CRO based in South Africa, specialising in the Regulatory, Project Management, Monitoring and Site management. |
| Ellen | Hubin | Modis | Belgium | ellen.hubin@modisbelgium.be | Project Management/Writing Consultancy |
| Alba | Jene Sanz | BSC | Spain | alba.jene@bsc.es | Technical management |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|------------|------------|---|---------------|------------------------------|--|
| claus stie | Kallesøe | grit42 | Denmark | claus@gerit42.com | Participated in several IMI projects. We deliver our data storage platform used in ND4BB, AMR COMBINE, AMR GNANOW etc |
| Eanna | Kiely | ClinBuild | Germany | eanna.kiely@clinbuild.com | CDISC standards author/trainer/consultant work with academics. Standards are a core HMA/EMA Big Data and H2020 recommendation. |
| Eka | Kokhreidze | National Center for Tuberculosis and Lung Disease | Georgia | ekokhreidze@yahoo.com | I am public health manager and a researcher and I work in a few projects as a coordinator, PI, ect. |
| Wim-Jan | Koot | Stichting Lygature | Netherlands | wim-jan.koot@lygature.org | Programme Management, Regulatory Innovation, Data infrastructure, Patient Engagement, project infrastructure |
| Gergana | Kyosovska | Bulgarian Association for Personalized Medicine | Bulgaria | gergana.kyosovska@pdc-eu.com | Consultation and expert services in the field of personalized medicine and public health |
| Christoph | Lange | Research Center Borstel, Leibniz Lung Center | Germany | clang@fz-borstel.de | Coordinating experience in clinical TB research in Europe for greater 15 years; Director of a TB research institute |
| Richard | Liwski | Critical Path Institute | United States | rliwski@c-path.org | skills and experience in: TB Data Management, Translational Research, Modelling and simulation, Regulatory science |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|-----------|------------------|--|--------------------|--|---|
| Leticia | Lobo | Fondation Mérieux | France | leticia.lobo-luppi@fondation-merieux.org | expertise en multicenter studies on latent and active TB in high burden countries |
| Anu | Mahalingashetty | TB Alliance | United States | anu.shetty@tballiance.org | Clinical trial execution |
| Anandi | Martin | Université catholique de Louvain (UCL) | Belgium | Anandi.Martin@uclouvain.be | Innovation for TB treatment, drug resistance mechanism, diagnosis development |
| Eugenia | Meiler | CEMIR, NTNU | Norway | eugenia.meiler@ntnu.no | Drug discovery in virulence and HDT against TB, in vitro models of infection based on PBMC and iPSC-Macs, cell death, imaging |
| Michael | Menden | Helmholtz Zentrum Munich | Germany | michael.menden@helmholtz-muenchen.de | Bioinformatics and Biostatistics Analysis |
| Joana | Mendes | UNITE | Portugal | joana.mendes@unite-network.org | Engage with members of parliament, calling for leadership to change laws and adequate budget allocation to end IDs |
| JOSE LUIS | NARRO VILLANUEVA | FUNDACIÓN PARA LA INVESTIGACIÓN BIOMÉDICA HULP | Spain | jose.luis.narro@idipaz.es | Experience in H2020 and IMI project as a partner. My role is Project Manager |
| vahid | nouri Kandany | PUCAM | Dominican Republic | vahidnk@yahoo.es | no |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|----------|--------------|--|---------------|--------------------------------|--|
| Lars | Oetjen | Nisooh Inc. | United States | lars.oetjen@nisooh11.com | Support of Associated Partner (BMGF) to the program |
| Patrick | O'Meara | Critical Path Institute, Ltd. | Ireland | pomeara@c-path.eu | Data Management planning and oversight |
| Ralf | Otto-Knapp | DZK | Germany | rotto-knapp@dzk-tuberkulose.de | Co-authorship of German TB guideline, committee of national TB experts, one of the largest German out- and in-patients TB clinic |
| Nick | Paton | NUS | Singapore | nick_paton@nuhs.edu.sg | Experience with TB trial design and all aspects of conduct of phase 2a and 2b TB trials, TB clinical trial site network |
| CECILE | PELTEKIAN | | | cecile.peltekian@pasteur.fr | Attending to the webinar to have an overview of the call. Our Institute has expertise in TB Research |
| Michel | Pieren | | | michel.pieren@bioversys.com | Expertise in clinical development of TB drugs |
| Sandra | Pla | SYNAPSE Research Management Partners S.L | Spain | spla@synapse-managers.com | Project Management |
| Javier | Pomar | ARAID | Spain | araideu@araid.es | Umbrella organisation, network of researchers in the region of Aragon. |
| Santiago | Ramon Garcia | ARAID Foundation/University of Zaragoza | Spain | santiramon@unizar.es | We are partners in the IMI ERA4TB Consortium in which we are implementing the Hollow Fiber System of Tuberculosis in BSL3. |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|----------|--------------|--|-------------|----------------------------------|--|
| Peggy | Reich | IMMS gGmbH | Germany | Peggy.Reich@imms.de | Expertise in Microelectronics especially ASICs, miniaturization of measurement devices, device development for diagnostics |
| Santi | RELLO-VARONA | IdiPAZ | Spain | international.projects@idipaz.es | IdiPAZ is the research institute of the flagship tertiary hospital in Madrid. We have key expertise in clinical trials. |
| Rofagha | Rofagha | Schuttelaar & Partners | Belgium | bea.rofagha@gmx.net | Societal impact studies, communication expertise (incl. strategy, website, videos, events, social media), project management |
| Andrea | Roig Alba | Radboudumc | Netherlands | andrea.roigalba@radboudumc.nl | Grant Support Office - Radboudumc |
| Romana | Ruiss | ARTTIC SAS | Germany | ruiss@arttic.eu | Expertise in proposal development, project and financial management, progress controlling |
| Chen | Sagiv | | | chen@deepathology.ai | TB detection in pathology images |
| Sònia | Sagristà | IDIBELL | Spain | ssagrista@idibell.cat | Clinical & basic reserach skills on tuberculosis |
| Gunnar | Sandberg | Vlnnova | Sweden | gunnar.sandberg@vlnnova.se | SRG |
| Peter | Sander | University of Zurich, National Laboratory for Mycobacteria | Switzerland | psander@imm.uzh.ch | Screening facilities, experience in Screening, BSL3, TB strain collection |
| isabelle | saves | CNRS | France | isabelle.saves@ipbs.fr | fundamental academic research on TB |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|------------|-------------|---|----------------|-----------------------------------|--|
| Fraser | Scott | | United Kingdom | fraser.j.scott@strath.ac.uk | Novel drug class |
| nir | shaled | ISERD | Israel | nir.s@iserd.org.il | Israeli potential consortia partners from Academy and Industry |
| zvia | shwartz | TB Alliance | United States | zvia.shwartz@tballiance.org | Proposal submission |
| Dan | Sivilli | Critical Path Institute | United States | dsivilli@c-path.org | We are participating in the ERA4TB Consortia (European Regimen Accelerator for TB) |
| Jan | Skriwanek | National Contact Point Health | Germany | jan.skriwanek@dlr.de | NCPs provide consultancy & support for researchers applying for IMI topics |
| Montserrat | Sole | Institut Biotecnologia i Biomedicina (IBB) | | montserrat.sole.castellvi@uab.cat | Biosensors for detecting Tuberculosis |
| Magnus | Steigedal | NTNU | Norway | Magnust@ntnu.no | Molekylær biologi om mtb. Host-pathogen interactions |
| Thavirap | Tantiwongse | The Pharmaceutical Research and Manufacturers Association | Thailand | Thavirap@prema.or.th | Clinical Trials Network, Thai Healthcare Professionals Network, Governmental and Academic Collaborators |
| Sanchia | Theron | Triclinium Clinical Development | South Africa | sanchia.theron@tcd-global.com | TCD is a SA-based CRO offering end-to-end clinical development services with vast experience in the field of infectious disease. |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|------------|-------------|--|----------------|--------------------------------|--|
| Guy | Thwaites | University of Oxford | Viet Nam | gthwaites@oucru.org | Clinical trial expertise |
| Caroline | Toex | DLR-PT | Germany | caroline.toex@dlr.de | Health NCP |
| Dagmar | Vaclavikova | Masaryk University | Czech Republic | dagmar.vaclavikova@med.muni.cz | Team working with TB patients |
| Abraham | van Wyk | Triclinium Clinical Development | South Africa | abraham.vanwyk@tcd-global.com | We are an African focussed CRO, specialising in ID, with special interest in TB and vaccines. |
| Juan Jose | Vaquero | Universidad Carlos III de Madrid | Spain | juanjose.vaquero@uc3m.es | Previous experience on TB related projects: Imaging technologies, data analysis, engineering resources. |
| David | Verde | IDIOAPJGOL | Spain | dverde@idiapjgol.info | Primary Care |
| Alessandra | Veronese | Accademia dei Pazienti | Italy | veronal2710@gmail.com | I can bring my expertise either as Expert Patient EUPATI Italy, or as Clinical Research Expert with 20 years of experience |
| Rotem | Vishinkin | Technion - Israel Institute of Technology | Israel | rvishinkin@technion.ac.il | An expertise in developing novel non-invasive TB diagnostics, vast activities with the industry and organizations, such as BMGF. |
| Ursula | Wirtz | ConsultTech GmbH | Germany | wirtz@consultech.de | support in the administrative grant process, proposal writing, grant- and projectmanagement, online collaboration platform |
| Emre | YARCI | Association of Research-Based Pharmaceutical | Turkey | emre.yarci@aifd.org.tr | Network facilitation |

| Name | Surname | Organisation | Country | e-mail address | Potential contribution to the project in terms of expertise, resources and activities. |
|-------|-----------|---|---------|---------------------------------|--|
| | | Companies (AIFD) | | | |
| ilker | Yeşilkaya | DNB (Decision & Behavior) Analytics LLC. | Turkey | ilkeryesilkaya@dnbanalytics.com | AI- based clinical behavioral research platform focused on psychiatric disorders |
| ilker | Yeşilkaya | DNB (Decision & Behaviour) Analytics LLC | Turkey | ilkeryesilkaya@dnbanalytics.com | DNB (Decision & Behavior) Analytics LLC. |
