

Argo Soon

IMI States Representatives Group, Estonian representative

Mr. Argo Soon has been nominated for Health NCP position since begin of FP7 and he continues fulfilling this task in H2020. At the same time, he is also a H2020 SC1 Programme Committee member.

Estonian Research Council, which was established 2012, employs all Estonian NCPs. The Department of international Research is responsible for representing Estonia at Horizon 2020 programme as well as other bi- and multilateral research cooperation programmes.

Previous positions

- NCP for Horizon 2020 SC1 and SC2 at Estonian Research Council
- NCP for health in FP7 at Archimedes Foundation
- Member of board of National Biotechnology Programme

Fields of expertise

- Master of public Health at Hebrew University in Jerusalem 1997
- Lecturer at Department of Public Health, University of Tartu 1992-2007
- Partner and task leader in several EU projects since FP5, including SMEs go Health, Fit for Health, Health-NCP-Net
- Work package leader in several bilateral projects (Estonia-Moldova Research Horizon; Ukraine in Horizon 2020)
