

IMI2 JU responses to the Independent Observer's Report

Call ID: H2020-JTI-IMI2-2015-08-single-stage

IMI2 8th Call for Proposals

Evaluation of the 1st cut-off date

Date of evaluation: 13-14 April 2016

Name of the observers: Dr. Nicole Haeffner-Cavaillon

Overall conclusions and comments

There were no apparent violations of the published Guidelines and the evaluations, and discussions were fair and transparent.

All evaluation IMI procedures have been fully respected.

The evaluation was conducted by the IMI staff in a very professional way. The evaluation involved important logistics preparation of the meetings (travels, hotel booking, printing evaluation reports, call documents, applicant proposals, IT system etc.). No complaint of any expert was expressed.

It should be emphasized that the IMI assessment procedures have reached a very high level of quality directly connected to the expertise, professionalism and competence of its employees.

IMI2 JU responses to the overall conclusions and comments

IMI2 JU notes the confirmation of the independent observer that the evaluation was conducted according to the procedure in place. IMI2 JU will also make sure that the same procedure and high standards are applied for future calls.

IMI2 JU is pleased to have confirmation that the high quality level of the assessment procedures is directly connected to the expertise, professionalism and competence of its employees.
