

## IMI2 JU responses to the Independent Observer's Report

**Call ID: H2020-JTI-IMI2-2015-08-single-stage**

**IMI2 8<sup>th</sup> Call for Proposals**

**Evaluation of the 4<sup>th</sup> cut-off date**

**Date of evaluation: 6 October 2017**

**Name of the observers: Dr. Nicole Haeffner-Cavaillon**

### Overall conclusions

*There were no apparent violations of the published Guidelines and the evaluations, and discussions were fair and transparent.*

*All evaluation IMI procedures have been fully respected.*

*The evaluation was conducted by the IMI staff in a very professional way. The evaluation involved important logistics preparation of the meeting (travels, hotel booking, printing evaluation reports, call documents, applicant proposal, IT system etc.). Experts did not express any complaint regarding any aspect of the evaluation process.*

***It should be emphasized that the IMI assessment procedures have reached a very high level of quality directly connected to the expertise, professionalism and competence of its employees.***

### IMI2 JU responses to the overall conclusions

IMI2 JU notes the conclusion expressed by the independent observer, indicating that all IMI evaluation procedures have been fully respected and that there are no apparent violations.

IMI2 JU is pleased to have the confirmation that the IMI2 JU assessment procedures have reached a high level of quality and this is related to the expertise, professionalism and competence of IMI2 JU staff.
